Dear Members, Players, Parents, Volunteers and the FAFC family

The game we love and support has been placed on hold for a period of time in WA, nationally and worldwide in the wake of the COVID-19 threat.

This week Football Federation Australia and Football West have taken the step to suspend all grassroots football including NPL, junior NPL, miniroos and amateur competitions.

**FAFC has now suspended all FAFC activities until the 14th of April 2020.**

For FAFC players this means there is a suspension on all training, matches and associated football related activities from 18th March 2020 to 14th April 2020.

The Kafeneon and the Tuesday Night Greek food taverna are temporarily closed effective immediately.

This difficult decision is made to protect the health and safety of our players, staff, members and community. If you have any questions please don't hesitate to email [secretary@floreatathenafc.com.au](mailto:secretary@floreatathenafc.com.au)

FAFC will continue to monitor all developments on the Covid-19 outbreak from the governing bodies and will provide updates to our FAFC family.

Please stay informed with the relevant authorities - for the latest health advice call **Coronavirus (COVID-19) Health Information Line**: 1800 020 080 or visit : <https://www.wa.gov.au/government/coronavirus-covid-19>

The club recognises that this is very disruptive for our FAFC family and we thank you for your cooperation while we work through these unprecedented times. Now more than ever FAFC appreciates your patience and support as we continue to understand the consequences of what is a rapidly changing and unpredictable situation.

Please stay safe and take care of yourselves, your friends and family and those around you.

On behalf of the Board Of Management

Emmanuel Takoniatis

Chairman

Floreatathena Football Club
