| MINIROOS & JUNIORS 2024 - EXPRESSIONS OF INTEREST

Floreat Athena Football Club values the development of our junior players and where possible, existing FAFC players will be given preference for 2024 places.

All details regarding the selection process; key dates and the training commitment for each age group are detailed in this document – please see the appropriate age group heading.

Please complete only one expression of interest per child as all trial invitations, where trials are required, will be based on birth year with reference to your selected 'preferred' 2024 team.

Please be aware that we do not conduct open trials and depending on the age group, we may only be trialing for a small number of places. Not all ages are subject to trials.

Trial invitations and offers will be sent via email. All players, including existing Floreat Athena FC players, who wish to be considered for a 2024 team MUST complete an online expression of interest form – before the published cut off dates.
