U7s FAQs

| WHEN DO WE PLAY?

Training and matches will be held on Saturday mornings. Our U7s will commence their pre-match training session at 9.45am. Matches will commence at 10.15am and conclude at approximately 11.00am. Each U7s team will play two 15-minute matches.

Refer to the 'When is Training?' section for further details on additional training options.

| WHERE DO WE PLAY?

All matches will be held at Britannia Reserve for the entire season.

| WHEN DOES THE SEASON COMMENCE?

The season will commence on 20th April 2024 with a 2 week break over the winter school holidays. The last training/match of the season will be on Saturday, 31st August.

| WHY ARE MATCHES BEING MOVED TO A SATURDAY?

Due to the huge growth we are experiencing at the club across all age groups it is necessary to move the U7s to a Saturday morning to ensure we have adequate space for all of our teams to play. We are a community club, and we endeavour to give all children that are interested in playing football the opportunity to play.

By moving our games to a Saturday morning, this will also mean that we will manage our own competition and not participate in the Football West Clusters competition. Every game will be played at home where there is plenty of parking available and closer to home for a lot of our families.

A benefit of moving the competition in-house and to a Saturday morning is that our coaches and in turn our players will benefit from having our Technical Director, Mark Jones oversee the program and assist and provide support to our coaches. Better coaches make better players!

| WHY HAS THE CLUB DECIDED NOT TO PARTICIPATE IN THE FOOTBALL WEST CLUSTERS?

The Football West Clusters competition only runs on a Sunday morning. By moving our matches to a Saturday morning we are unable to participate in the Clusters competition.

Whilst we have participated in the Clusters competition in the past, as our numbers have grown it has become increasingly difficult for the other clubs we are placed with to accommodate the number of teams we submit. Last season, more often than not, our teams would be playing against our own teams due to the low team numbers submitted by the opposition clubs. This has also been a major factor in the decision to move to an in-house Saturday morning competition.

We will run our own inter-club clusters competition which will see children placed into 3-4 squads with a Head Coach appointed to each squad. Each squad will then be made up of smaller teams who will play against the other squad teams. In essence, very similar to the Football West Cluster competition.

| HOW MANY WILL BE IN A TEAM?

We will be playing a 4a-side competition for the U6s. Depending on availability of children on a particular day there may be between 5 – 6 children in each team.

| CAN OUR CHILDREN PLAY IN A TEAM WITH THEIR FRIENDS?

There will be the ability to play with friends and this will be coordinated closer to the season commencement.

We will do our best to fulfil requests, however, the final decision on what Clusters are formed is ultimately made by the Club. It will be the Head Coaches responsibility to determine who is in a team together on match days.

| WHEN IS TRAINING?

Pre-season training will commence in March on a Saturday morning. The Club will confirm the date when training commences once the clusters have been set and a head coach appointed.

Training once the season has commenced will be held on Saturday mornings, 30 mins prior to the match. Each Head Coach also has the option of undertaking additional training for their squad during the week on a Tuesday, Wednesday, Thursday or Friday.

We will also be holding an optional Floreat Athena Football Mastery session on Mondays. Term 1 will run from 19th February for 5 weeks. Term 2 and 3 details will be finalised in advance of each term. The cost will be \$25 per session and players will need to commit to a full term. Upon registration you will receive a Football Mastery top to wear to training. Your match day shorts and socks can be worn with the training top.

| WHAT DO WE WEAR ON TRAINING/MATCH DAYS?

All players will be issued a match day top to use for the season. The top is then handed back at the end of the season. A \$50 fee will be charged for any match day top that is returned in an unusable condition.

Blue shorts and blue socks will be required to be purchased to wear with the match day top. Our shorts are \$27.50ea and socks are \$16ea.

If your Cluster is participating in mid-week training, you may also wish to purchase a training top which are \$35.00ea. Please note that the training tops are on the small size, and we recommend going up one size.

All players will also need boots and shin pads to wear on match days and at training. We recommend Onside Sports in Malaga for boots and accessories as they have a large range of brands and sizes.

| DO I HAVE TO VOLUNTEER?

To enable our Club to run a successful season we rely on the help from our parents. There will be many volunteering opportunities throughout the season from coaching, canteen duty, assisting with games and pitch set-up and pack-up. Each cluster will be rostered on throughout the season to assist with our match day activities. Many hands make light work!
